BEAUTIFUL SAVIOR LUTHERAN CHURCH

Fellow Beautiful Savior members,

I would like to share with you what our church went through in 2020. We had some rough times to deal with. But as a congregation we were able to overcome them with a united effort from our members.

We made the decision to replace the HVAC units in the fellowship hall, kitchen and restrooms. Plus the repair of the roof in the same area. At our congregational meeting the funds were approved to complete the work. We are pleased that the all the work was completed under the allotted funds. We thank the members that were able to donate to this project.

Then, we were hit with the pandemic. These were very difficult times for us. We had to make some very hard decisions on how to conduct church services. But again, everyone stepped up and we got through this period of time.

We are now back to normal services and having fellowship after the Sunday, morning service.

The Food Pantry, Sewing Group and KEENAGERS have also resumed normal activities.

Our communion each Sunday, has returned to the Pastor with assistants serving the bread and wine.

The Call Committee is working hard in the effort to secure a new pastor. We are so fortunate to have Pastor Mike Holmes, Tom Moore, and Wanda Garcia to conduct our worship services while the committee continues the search.

I believe these things have all come to pass successfully because of the caring congregation that have pitched in to make it happen.

I want to remind all of our members that they are always welcome to submit, ideas, thoughts or requests to the church council. Feel free to do so and start by contacting the church office or myself.

God Bless You All,
Chuck Jacobson

Treasurer's Summary

For the month of February our income was \$14,677.16 on a budget of \$18,916.66. The giving for Sunday, Feb 28th was not deposited until March 1st so that will be reflected in the March income. Our expenses were \$9,096.60 on a budget of \$18,181.05 which was \$9,084.45 under budgeted expenses. Our income for the month was \$5,580.56 more than expenses. The Call Committee process continues to progress and we all look forward to updates on the candidate search soon. To date, Members have given \$2,789.02 towards the Call process! We have received \$2,020.00, into our Insurance Deductible fund as well which is very encouraging to help us be prepared and protected in the event we would have a major property damage claim in the future. Again, thank you to those that have given to these funds as it continues to make us healthier to build these dedicated fund accounts to the levels we need. It has been great to see Church members returning to Worship services that have not been able to attend for quite a while. It warms the soul of our Church for sure! God's blessings and peace to you all!!!

Wednesday, April 7 at noon, **KEENAGERS** resume our monthly lunch and fellowship get-to-together.

Bring your own sack lunch.

Hope to see you all there!

Believing in

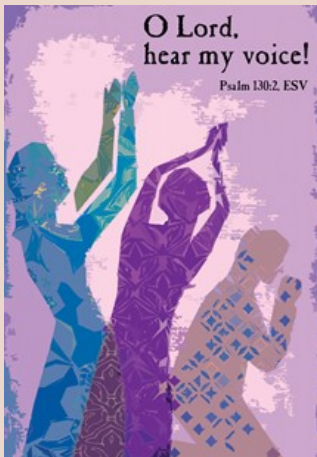

Sometimes we get caught up in thinking we need to understand God in order to have faith. But faith is more about trust than knowledge; it's more about believing in someone than believing information. A child, for instance, doesn't have to know the precise roads to Grandma's house; he only needs to believe *in* his parents and their ability and desire to get him there safely. Similarly, we need not understand all the intricacies of how God works; we can take a cue from the disciples and let belief *in* the risen Christ transform and empower us.
